The Goal of our youth summer camps is to lay a foundation of individual and team skills for the development of today's young student-athletes in a Catholic environment. The camp will be conducted by Coaches & Staff. The coaches will cover individual skills (passing, dribbling, shooting, game strategy) as well as team concepts (offense, defense, and transition). There will be a multitude of skill training followed by fun and entertaining competition. The primary emphasis for this clinic is on building team concepts within each group of players. There will also be a variety of fun extracurricular activities as well as chapel time, arts and crafts, and more!
