Come Join Us for a Weekend of Faith and Fellowship

All men of the parish are invited to attend the 2019 St. Timothy Men's Retreat. The Retreat will be held at the beautiful St. Leo Abbey, a Benedictine monastery, in peaceful St. Leo, FL.

The retreat begins with registration on Friday, November 15th at 6 pm and will conclude with Mass on Sunday, November 17th at 10 am.

With the exception of Friday night, meals will be provided all weekend (ending with breakfast on Sunday). Snacks and drinks will also be available throughout the weekend.

For our Wives, Girlfriends and Families

All wives, girlfriends and families are invited to join us for Mass at 10 am on Sunday at the conclusion of the retreat.

What do you think?

Take a break! Take time just to be!

You are encouraged to join with other men of the parish on this weekend journey with Christ. The retreat will provide time for reflection, discussions, relaxation and fellowship. Among several opportunities for group and private prayer, Reconciliation will also be available and the retreat will end with Mass on Sunday morning.

Behold the Man: Christ and Authentic Masculine Spirituality

This is a great opportunity for you. Men, this retreat will offer you great insights on the person of Jesus Christ, and how he can be a model for you in the here and now. Ladies, I invite you to allow, and encourage the men in your life to make this time for themselves. You will also benefit from their time on retreat. When we experience authentic love, our lives and the lives of others are impacted.

Fr. Michael Nixon is a pastor in North Florida. His parish in Panama City was leveled from one of our last hurricanes. They are currently having mass in a tent. Fr. Michael is a passionate speaker, and presenter on the missionary nature of the church. His own recent experience has impacted his mission and preaching.

The theme of the retreat is "Behold the Man; Christ and Authentic Masculine Spirituality." In our encounter with the person of Christ, we can ask the Almighty, "what kind of a "man" are you calling me to be?" When we take time to Behold the mystery of Jesus Christ, each and every one of us can grow in a deeper understanding of our own identity, our communion with others and a response to those we encounter.

Our Retreat Master Father Michael Nixon

Fr. Michael Nixon has been a priest for nine years, and the pastor of St. Dominic Catholic Church in Panama City, FL since 2015. He is the fourth of six children and the proud uncle of 21 nieces and nephews. He has a passion for evangelization, discipleship and parish renewal. In October of 2018 his parish and city were decimated by Hurricane Michael, which has given them a chance to focus even more intensively on the mission that Jesus Christ has given to His Church, even as they continue the slow process of rebuilding.
